## Objective:

Versatile and results-driven professional with a background as a school counselor and defacto assistant principal seeking to leverage strong interpersonal skills, leadership experience, and problem-solving abilities to transition into a full-stack web developer role. Eager to apply my passion for technology, dedication to learning, and ability to collaborate effectively in a dynamic and fast-paced development environment.

## Education:

### Full Stack Web Developer Graduate Certificate,

University of Miami, Miami, FL

2023

### Master of Education in Counseling Administration

Nova Southeastern University, Fort. Lauderdale, FL

2017

## Professional Experience:

**Senior School Counselor/ Defacto Assistant Principal** Miami-Dade Public Schools, Miami, FL 2014-Present

- Led initiatives to improve student well-being, academic performance, and overall school culture.
- Developed and implemented counseling programs to address the diverse needs of students.
- Collaborated with faculty and parents to create a supportive and inclusive learning environment.
- Managed administrative tasks, providing support to the principal, and contributing to decision-making processes.

## Technical Skills:

- **Languages:** HTML, CSS, JavaScript, Python, Swift UI
- **Front-End:** React, Angular (familiarity)
- **Back-End:** Node.js (beginner), Express (beginner)
- **Database:** MongoDB (beginner)
- **Tools:** Git, Visual Studio Code, X-Code

## Key Achievements:

- **Leadership Skills:** Demonstrated leadership as a defacto assistant principal, leading initiatives that positively impacted the school community.
- **Adaptability:** Successfully transitioned between counseling responsibilities and administrative tasks, showcasing adaptability and problem-solving skills.
- **Collaboration:** Effectively collaborated with diverse stakeholders, including students, faculty, and parents, fostering a collaborative and inclusive environment.

## Soft Skills:

- Strong problem-solving and analytical skills.
- Excellent communication and collaboration abilities.
- Attention to detail and commitment to continuous learning.
